

AMERICAN HEART ASSOCIATION Advanced Cardiac Life Support (ACLS) COURSE REGISTRATION

*****NEW***** *Come learn and practice in our state of the art EMS Laboratory*

This initial Advanced Cardiac Life Support (ACLS) course is designed to teach you the lifesaving skills required to be both a team member and team leader in either an in-hospital or out-of hospital setting. Practice of skills will be done in our state of the art EMS laboratory using lifelike manikins and scenarios. A two (2) year certification card will be given on successful completion. Preparation for this class includes reading the text which will be sent to you when you register.

When: April 26th & April 27th, 2012

Time: 8:30am to 4:30pm

**Where: Community Safety Consultants (2nd Floor of Metuchen EMS)
1 Safety Place Metuchen, NJ 08840**

Cost: \$225.00 (includes book)

Prerequisites: Performing BLS CPR skills using 2010 AHA Guidelines for CPR
Reading and interpreting ECGs
Understanding ACLS medications

Use of American Heart Association materials in an education course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course material, does not represent income to the Association.
